**FOR** the purpose of exempting the certain procurements for professional service activities in connection with the engineering services for the Water Spillage problem on Carrington Avenue

**EXPLANATORY STATEMENT:** The City of Seat Carrington Avenue Water Spillage is in serious need of repairs. After issuing a request for proposals the Mayor and City Council has identified Multi Craft Construction International proposals to provide predevelopment architectural, engineering feasibility study for Water Spillage problems. The purpose of this Resolution is to exempt these selections from the competitive bidding requirements of Chapter 39 of the Code of the City of Seat Pleasant. Now, therefore,

**SECTION I. BE IT RESOLVED BY THE COUNCIL OF THE CITY OF SEAT PLEASANT,** that, in accordance with Section 39-3.A. of the Code of the City of Seat Pleasant, the City Council finds that the delays that now would be occasioned by proceeding with a formal competitive bid process as outlined in Chapter 39 of the City Code for the acquisition of predevelopment architectural, engineering feasibility study for procurement services in connection with the Water Spillage problem on Carrington Avenue would be detrimental to the safety and welfare of the community. Therefore, the City Council, acting by the affirmative vote of at least a majority of the whole Council, exempts the acquisition of these services from the City's competitive bidding requirements and authorizes the City to consummate such transactions, subject to and to the extent of the availability of funds in the City's budget for such purpose.
